Achievements

- Founded and developed the winter swimming community in Lviv. I brought values and principles that still unite us today
- Organized 6 group mountain hiking trips for my friends.
- I've become a regular donor of blood and blood components. Now it's part of my routine
- Mastered the sewing machine and have already sewn several items for myself and my friends
- Tried over 10 different sports and completed a half-marathon
- Played wind instruments for 8 years. Was a member of the orchestra
- Volunteered more than 150 hours in 2025 (military needs, charity fundraisers, Holodomor Museum, charity runs, assistance to pensioners, Christmas caroling, etc.). Took part in rebuilding projects of houses destroyed by Russian military aggression within the "Build Ukraine Together" (BUR) volunteer organization
