WAKEBOARD & WATERSKI COACH | DECKHAND

I am a well travelled individual with a background in coaching waterskiing and wakeboarding, as well as hospitality experience. After completing an intensive deckhand programme at UKSA, I am now seeking a professional role onboard a yacht. My goal is to gain as much knowledge and experience as possible, with a view to a long-term position and to progress through the ranks. I have a strong work ethic, am adaptable and ensure work is completed to the highest standard, especially in a high pressure environment.

MARITIME EXPERIENCE

M/Y Juice (71m) | Deck Daywork | October - November 2025

- Six weeks shipyard placement at MB92 Shipyard, Barcelona
- Work included; maintaining the exterior of the yacht, cleaning, sanding and oiling furniture
- Furthered knowledge of safety drills and what to do in the event of an emergency

Superyacht Crew Training, UKSA | November - December 2024

I chose to do the course at UKSA to further my knowledge and experience on boats. Having worked as a wakeboard/waterski coach and boat driver, I have a thorough knowledge of how to handle boats and lines. The course allowed me to build on existing powerboat skills, to develop my deck maintenance skills and complete the STCW training.
